VISUAL DREAM

VISUAL DREAM

We are one of the leading companies in interior design, production and event scenery. For our international clients we have produced and designed vary of different custom made product display units, different cabinets, illuminated displays and other furniture. With 22 people in our team we are ready to take more demanding projects with focus on design, quality and fast production and delivery.

Our in house production service covers;

Furniture

- all wooden materials with cutting, high gloss and mat finish
- metal elements made of aluminum, stainless steel, steel including casting, Computer cutting, custom engraving
- acrylic elements - cutting, custom bending, engraving
- L.E.D. Lighting with effect

Whit our team we have worked with different clients like: *Phillips Morris International, Coca Cola, Leo Brunett, New Moment, Janus, Futuristcni Marketing, MPG*, and others.

Markets where are covering; Serbia, Croatia, Slovenia, Bosnia, Albania, and lately Germany. One of our lastest projects that we are very proud of is work for World famouss company *Kiess Interiors* from Germany. For *Kiess Interiors* we produced elements for privately owned villa in Sankt Petersburg.
